Raihir

The Aristasian word for "Empire".

The empire is often referred to as "the Raihir" or "li Raihir".

The first Raihir was the Raihir Caerani or Cairen Empire founded by Rayanna, the Sun-Daughter at the beginning of our Era over three millennia ago. All later Empires, including the current Westrenne one, are linear descendents of the Cairen Raihir.

In parts of the nether-east the Westrenne Empire is called "Abolraihir" (literally, the apple-empire - apples being associated with the Paradise of the West).

The term for Empress is Raihiranya. Ranya means mistress or teacher (usually a spiritual teacher) so the Raihiranya is literally Mistress (or guide) of the Empire.
